Requirements for Success:

- Attend all work lab sessions
- Work for at least 10 hours per course per week
- Stay on-track for course completion in ALL of your courses
- Work silently during lab time
- Respect school rules, equipment and fellow students
- While in the computer lab, no programs or websites other than Edgenuity can be open
- Take careful eNotes or take notes on paper; bring a notebook and pencil to each class
- Study for all quizzes and tests just as you would with any other class

You have a great opportunity to accomplish a lot of work with the support of an in-person mentor. We provide you with:

- A quiet space
- A reliable Internet connection
- A school computer to use for course completion
- In-person feedback and support

The lab time is set up so that you may maximize your performance on your online coursework through Edgenuity. Your teacher will help you with:

- Course administration and navigation
- Test-taking and study skill strategies
- Content learning support
- Course pacing support and milestone achievement
- Email support outside of your regular class times — please use this!!

Time Commitment:

You will also need to commit to working on your courses outside of class. You will need to put in **at least 3 hours** per week on each course outside of class to stay on track. Remember to email your teacher for additional support while working outside of class.

Edgenuity Program Contract:

- **I will** attend all Edgenuity lab classes.
- **I will** maintain timely progress in my courses and keep in continuous communication with my instructor.
- **I will** put in 3 hours outside of class per week for each course.
- **I will** follow all course requirements, including note-taking, studying for tests and quizzes, and following school rules.
- **I will** follow our school's honor code. I will not allow any other person to complete my work for me, I will not use any outside resources during assessments, and I will never submit plagiarized work.

I understand that failure to uphold these commitments may result in course failure or expulsion from the program.
