OBJECTIVE

This course will provide students with an awareness of personal finance issues. They will learn how to create a budget, plan for the future, and make good purchase decisions. A simulation will be used to reinforce concepts covered.

TOPICS COVERED INCLUDE BUT NOT LIMITED TO:

- Plan for Life
- Make a Budget
- Manage you Money
- Understand Economic System
- Consumer's Role & Responsibilities
- Investment Power
- Mutual Interest
- Retirement Plans & Taxes
- Auto, Health, Life & Property Insurance
- Buying a Car
- Purchasing a House
- Investing Over a Long Term
- Investment Selection
- Evaluate Risk & Reward

PROJECTS

- There are a number of realistic illustrations that will be covered through out the course to demonstrate how the concepts apply to the real world.
- After completing a concept, you will work through a simulation that incorporates it into real life events to help you successfully understand how it applies to your life.

MATERIALS

- Computer
- Textbooks
- Calculator

LATE WORK POLICY

- ☐ Unexcused late work will always have points deducted.
 - Work not turned in by a week after the due date will receive a zero.
 - Meeting the assignment and discussion deadlines in your course is vital to earning a good grade.
